

Annual Report 2023

Grupo Nexos Inc.

innovación - investigación - comunidad

A message from our **Executive President**

Dear stakeholders,

I am delighted to present the inaugural annual report of **Grupo Nexos**, a milestone that marks our journey since our foundation in 2021. This report highlights our endeavors and achievements since our inception until December 2023.

During this period, we have embarked in **18 impactful projects across Puerto Rico**, a testament to our commitment to improve community health and well-being through scientifically proven interventions. Our team has grown to **141 dedicated members**, contributing their expertise to advance our mission.

With **over 16 years of experience**, our leadership will continue to enable partnerships under the collaborative triad model, serving as scientific partners for public health and community innovation projects. Our diverse team, including psychologists, planners, evaluators, social workers, epidemiologists, and public health and management experts, stands ready to make a lasting impact.

Thank you for your continued support as we strive for long-lasting structural change.

Sincerely,

Marizaida Sánchez-Cesáreo, PhD
Executive President
